

Rat Trap registration form

Welcome to the Predator Free Waihi - we're happy to have you on the trapping team! The Predator Free Waihi initiative is working in partnership with HELP Waihi to control predators to enhance the precious biodiversity of Waihi. Subsidised rat traps are being sold for \$10 with all proceeds going to HELP Waihi to fund further purchase of traps. We are grateful to Predator Free New Zealand for the funding to launch our project! This is how it works:

- Pick up a trap and learn how to use it safely with one of our friendly volunteers;
- Set the trap at home as per the instructions in the brochure provided.
- Keep your trap set and baited! Move it around if you aren't catching anything.
- We will register your trap on Trap NZ, and send you a link so you can record your catches.
- Be sure to follow Predator Free Waihi on Facebook to keep on top of what's happening in Waihi with our project. Feel free to share any photos or wins with us!
