

# Trap Library Loan Form

Welcome to the Predator Free Waihi Trap Library - we're happy to have you on the trapping team! The trap library is part of the wider Predator Free Waihi initiative, working in partnership with HELP Waihi to control predators to enhance the precious biodiversity of Waihi.

This is how it works:

- Pick up a trap and learn how to use it safely with one of our friendly volunteers;
- Set the trap at home under best practice guidelines; we will email your instructions (or give you a printed copy if preferred).
- We will register your trap on Trap NZ, and send you a link so you can record your catches. Alternatively, just email [predatorfreewaihi@gmail.com](mailto:predatorfreewaihi@gmail.com) with your catch data.
- Be sure to follow Predator Free Waihi on Facebook to keep on top of what's happening in Waihi with our project. Feel free to share any photos or wins with us!
- Use the trap for three months (or as agreed upon by both parties) in the correct way
- Return trap at end of the loan period, clean and in good working order. We'll send you a reminder by email.

- *That WTL does not accept any responsibility for any injury of a person, animal or item when using a loaned trap. The safety and responsibility of trap use is ultimately the responsibility of the person who has borrowed the trap.*
